

Queen City Philatelic Society

Formation of the Club

QUEEN CITY PHIL. CLUB.

Queen City Philatelic Club is the title of a new Society recently formed in Toowoomba, Queensland. President is the Leader of the Opposition in the State Parliament, Mr. Les Wood, and the chairman is Mr. Jack Coates.

Collectors in the district who are interested in joining should contact Mr. L. T. Ratcliffe at 2 Nigel-street, Toowoomba.

Fine publicity for the hobby was gained by the Society recently when the Toowoomba "Star Pictorial" interviewed two of its leading members and published nearly a full-page article, with photographs.
