

Brisbane Philatelic Club

Formation

A meeting was held last evening at Mr. J. W. Alderson's, Melbourne-street, of those interested in stamp collecting. There was a fair attendance, and much preliminary business in connection with the proposed formation of a philatelic society was disposed of. Mr. A. S. Russell was appointed hon. secretary pro tem., and a sub-committee was appointed to draw up a set of rules. The election of office-bearers was postponed till next meeting, to be held on the 28th instant.
